Hotel Ikos Olivia, Greece

We are G|I|A|T|A – your global partner for content

GIATA GmbH is a Berlin, Germany based travel technology company that was founded in 1996. GIATA's hotel content solutions are used by thousands of OTAs, travel portals, DMCs, hotel wholesalers and tour operators worldwide.

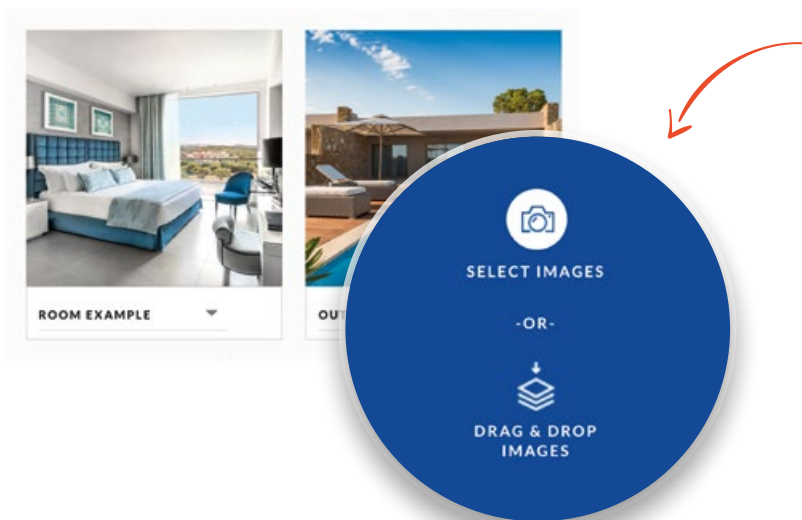

A selection of our partners: Thomas Cook, Google Travel, TUI, Hotelbeds, Sabre, Expedia and Holiday Check.

myGIATA Drive

→ Quick Guide

Save time and distribute your hotels' images through one single platform.

STEP 1 – UPLOAD IMAGES

For better online visibility and higher conversion, upload between 10 and 50 high-resolution images in JPG format and RGB colour scheme. Please note that personal or copyright protected content (e.g. staff, children, guests, trademarks etc.) may be removed at GIATA's discretion.

STEP 2 – ASSIGN ROOM TYPE

Add optional room details to help display the correct image content together with your online offers in all your sales channels.

ROOM ASSIGNMENT

Create new room:

Room type
Room Example x

Room category
Deluxe x

Room view
Hill View x

Room name

CREATE CANCEL

STEP 3 – SAVE & FINISH

After confirming your upload in a secure e-mail confirmation process, you have successfully transferred all your images to our Content Team who will check them for potential copyright issues. Your images are then made available to all GIATA Hotel Guide users for download or automated integration via XML web services.
